DESCRIPTION

A study of the federal and state constitutions and governments with emphasis on governmental structures, processes, and policy making. Meets the requirements for Texas teacher certification.

REQUIREMENTS

1. Each student is responsible for assigned readings and should keep a looseleaf notebook of class materials.
2. Participation is an essential part of class. Reading assignments should be completed before the class meets. Be prepared to discuss textbook material, readings, and current events.
3. Regular attendance is required. Lengthy absences (more than one week) and erratic attendance tend to affect grades. Exams must be taken at the scheduled date and time.
4. Students will be tested on the lecture, reading, and discussion material through five exams. The lowest score will be dropped.
5. Each student will take a pass/fail political geography quiz.
6. For up to two points extra credit, students may write two 2-3 page article abstracts, typed and double-spaced. The first abstract is due April 3 and the second is due May 1. Do not use plastic covers or tabs.
