Webcam installed at Falwell memorial

January 04, 2008 | Ron Brown

A webcam showing the memorial garden surrounding the gravesite of the Rev. Jerry Falwell is now available for viewing online at www.liberty.edu/memorial.

Workers recently completed work on the burial garden, which includes an eternal flame.

Falwell, the founder of Liberty University and senior pastor of Thomas Road Baptist Church, died May 15. He was buried on the lawn of the former Carter Glass mansion, which contained his LU office.
