Dear friend,  
Thank you for your letter! What a troubled life you  
have! I am enclosing a 2<sup>nd</sup> personal letter that you  
might use here and there, but do not forget that  
my name is a red rag! Some people boil over when  
they hear my name! (Yet I heard upon good  
authority that Serge F. Kennen considers himself to  
be one of my disciples. I only met him once and  
talked with him 15-12 minutes!) To be a  
professor in the USA ain't funny - especially not from  
a material point of view. Over here it is  
extremely difficult to lead because you are a  
civil servant and have tenure until you  
are 65 to 67 years old and then get your final  
salary until you die. (It all goes with a  
big social prestige!!!) A foreign one gets a  
professorship if he is VERY famous and thereby  
becomes an Austria citizen! All very complicated!  
I hope to get my Lib or Ego reprinted this year  
and 2 new books over here.

My love to your family;

Yours ever and ever

Ernst Fuchs

An effort to produce an EKL bibliography is made by Prof. Spacsek of  
SUNY in Albany (Fennell Dept.) Hopewell! The books can be completed  
but not the whole - maybe 3000!!!
