Mansion makeover

January 31, 2008

Renovation has started on Montview, known around Liberty University as "The Mansion."

Most recently used as office space (the late Dr. Jerry Falwell's office is there), some rooms are now undergoing restoration. There are plans to restore the house to the way it was in the 1920s, when it was home to U.S. Sen. Carter Glass.

More details will appear in the March/April issue of the Liberty Journal.
