THIS BOOK CONTAINS THE BIGGEST FISH STORY OF ALL TIME—BUT IT ISN'T WHAT YOU THINK IT IS

Almost everyone has heard the story of the huge sea creature that swallowed Jonah, and about Jonah's pitiful prayer for deliverance while inside its stomach (Ch. 1-2). But the real fish story takes place in chapter 3. To understand this, consider an event that would transpire some seven centuries later in northern Israel:

And Jesus, walking by the Sea of Galilee, saw two brethren, Simon called Peter, and Andrews his brother, casting a net into the sea: for they were fishers. And he saith unto them, Follow me, and I will make you fishers of men. And they straightway left their nets, and followed him (Matt. 4:18-20).

In this passage Jesus taught that the prophet's preaching, history's greatest revival took place. In other words, Jonah caught more *fish* in his net than ever before, thus we have the greatest fish story of all time.

P. S. May I ask you to tell someone about Emmaus Bread?
