101 MOST ASKED QUESTIONS ABOUT THE BIBLE

93. What are some basic facts which strongly indicates the divine origin of the Bible?

Of course it must be pointed out that neither the Word of God nor the God of the Word can be scientifically analyzed in a laboratory test tube. The Divine Creator still desires and demands faith on the part of his creation. (See Heb. 11:1-6.) But he has presented us with a heavenly textbook to aid us in this needed faith. In fact, the Gospel of John was specifically written *“that ye might believe that Jesus is the Christ, the Son of God; and that believing ye might have life through his name”* (Jn. 20:31).

During this phase of the study we will but briefly touch upon each of these “supernatural signs of the Scriptures,” all of which indicate our Bible did in fact come from the very hand of God. As the Christian acquaints himself with these amazing arguments, he is then qualified to: *“Sanctify the Lord God in your hearts: and be ready always to give an answer to every man that asketh you a reason of the hope that is in you with meekness and fear”* (1 Pet. 3:15).

At least ten such indications may be listed, all of which point to the supernatural claims of the Bible. These are:

- A. Its Amazing Unity
- B. Its Indestructibility
- C. Its Historical Accuracy
- D. Its Scientific Accuracy
- E. Its Prophetical Accuracy
- F. Its Universal Influence
- G. Its Care and Copy
- H. Its Amazing Circulation
- I. Its Absolute Honesty
- J. Its Life-transforming Power
