Hi Jeff,

You are permitted use the baseball diamond graphic showing the Purpose Driven model in your paper which we understand will be posted in an open access repository. We would appreciate a note referencing your source of the graphic as Rick Warren, Saddleback Church, Lake Forest, California.

Thank you for your integrity in checking with us!

Hi Jeff:

Since your church has licensed the HomePointe/Faith Path model feel free to use the logo and reference it as a ministry of Yorktown Baptist. Just give credit to HomePointe Inc. and/or refer to DriveFaithHome.com as a resource for church leaders interested in customizing the same strategy.

Best regards.
