HUNDREDS VISIT THE HOLY LAND
break

SNOW INVADERS CAMPUS, YET THE KIDS PLAY
• Late-Night Activities — activities will be skating and bowling. Off-campus skating will be at $6.25, and shoe rental is free.

• Camp positions — activities will be skating and bowling. Off-campus skating will be at $6.25, and shoe rental is free.

• Convocation Schedule

  • Thursday, Feb. 8: Minority Mass 8-11:30 p.m.
  • Saturday, Feb. 10: Free Car Wash; 11 a.m.-1 p.m.

• Poem

  • "The Bible just came alive," sang Stephen Gomes as he looked back on the experience. "After a trip to Israel you staff and walked where Jesus walked when they visited Israel Jan. 2-11.

  • Caesarea Philippi, the Garden of Gethsemane and the place where Jesus' transfiguration occurred.

  • The tour also spent time at the mouth of the Jordan River where John the Baptist had baptized Jesus. While at the river, Campus Pastor Rich Jackson baptized many of the LU students.

  • "You see the Word actually come alive," said Trent Style. "I was so impressed with the landscapes. After a trip to Israel you can read the Bible with much more understanding."

  • Additional activities included seeing the place where David killed Goliath and searching out the brook where David gathered the stones for his sling.

  • Westover, Dr. Harold Wilmington, Rasberry and Eric Lovett. Included in these testimonies are comedian Mark Lowry and baseball legend Gaylord " Gus"人物.

20 students plan missions visit to Allenda, Mexico

Group to construct church

By STEPHANIE RADAKER

Twenty missions-minded students plan to visit beautiful, balmy Allenda, Mexico, during Spring Break '96.

Allenda, located outside Monerey, has a population of approximately 4,000 people and not one evangelical church, trip leader Ted Cunningham said.

After Spring Break, however, the Christians of Allenda will have their own place of worship.

During the two weeks, the group will be constructing the church during the day and doing street evangelizations in the town square at night.

The group will be staying in the homes of W. Steele, a missionary to the town of Allenda. Steele is a graduate of LLI Christian Center Jerry Falwell's alma mater, Baptist Bible College in Springfield, Mo. Steele runs an orphanage and a Bible school for parishioners in Allenda.

Students who are interested in missions or theology, who are interested in ministering in Mexico but cannot to go on the trip can still show the love of Christ to the Mexican people through donations. Donated items will be taken with the group and given to Steele to use in his ministry.

According to Cunningham, items such as clothes, Bibles, soap, toothbrushes, toothpaste, shampoo, combs, brushes, suetcases, packing bags, sleeping bags, blankets and towels will be most useful.

Those interested in attending the group and given to Steele to use in his ministry.

According to Cunningham, items such as clothes, Bibles, soap, toothbrushes, toothpaste, shampoo, combs, brushes, suetcases, packing bags, sleeping bags, blankets and towels will be most useful.

Quick Take:

- 20 students are planning missions to Allenda, Mexico.
- The group will construct a new church there.
- Students are encouraged to donate items such as clothes, Bibles, and toiletries.
- The trip is led by a missionary, W. Steele.

Frosty campus fails to frighten workers

"We thought after they closed school the students wouldn't come in, but they did," Tomlin said. "And one print the office was full.

STORY OF THE DAY

The offices of C-91 were also full — with radio station workers in a state of confusion over what was open and what wasn't.

"We all made it in. Our full-time workers didn't show up, though."

"That's why we came in," said C-91 station manager Shawn Andrews, "to believe people of all the closings.

About 300 students called the station between 7 and 9 a.m. Friday morning, regulating about Liberty's open-or-closed status.

"Up by 9 a.m. we were solid (with phone calls)," Andrews said.

Care For Your Car

Spring Break is coming. Don't miss out on our Special Car Care Section. Find out how and where to take care of your ride.

Wedding Bells

June brides and grooms are making their plans now for their big day. A special Wedding Section will be published on February 20. Don't miss this golden opportunity to present your services to the happy couple. Campus engagements will be featured. Call us now to announce this and to be a well-read section.
BHM will take LU
 to 'new horizons'

By MAINA SHAKURA
Champion Reporter

The Minority and International Student Affairs has entitled this year's Black History Month: "New Horizons."

Greg Doss, dean of Minority and International Student Affairs called Black History Month will contain some new activities.

According to Marc Mauer, the Sentencing Project, when the 12-year-old enters the penitentiary, to prison for murder does not show up until six months of the blood they had donated. The boys, now 12 and 13, were found delinquent — the juvenile court equivalent of a guilty sentence — of killing Eric Morse by dropping him out of a 14th-floor window. Both youths will serve the rest of their 21st birthdays. According to Mirce Mauer, the assistant director of the Restorative Project, when the 12-year-old enters the penitentiary, will become the youngest to serve in a high-security prison in the country.

While the rioting was going on, Israeli officials chose to quietly dispose of the blood so that no one would be stigmatized in public. Israeli officials chose to quietly dispose of the blood so that no one would be stigmatized in public.

Not only is the theme of this "Seeventy Street" slightly different, as yours and we are just as Jewish as yours and we are just as Jewish. Prime Minister Shimon Peres was quoted "As little as possible." Ethiopian Jews. He plans to establish a committee to look into the grievances.
Let's show the SACS team what great students we are.

This week there will be a group of people on campus who deserve our attention and respect. The regular season is over for the Liberty Championship南方联盟和Big South Tournament, we're used to having frequent visitors.

Campus 1996: battle of the potential first ladies

Michelle Fannin

While the 1996 presidential campaign is far from over, the women of the '90s are already staking their claim to the First Lady title.

It's perfectly fine to be a supporting wife. There's nothing wrong with having a husband who is more successful than you.

I was not voted into office by the American people. I'm not the poster child for feminism when all you can say about me is that I'm married to a senator.

Michelle Fannin

The computers of the world must be protected from people who choose to become public enemies.

GLOBAL YOUTH MINISTRY IN THE TWENTIETH CENTURY

EIGHTH ANNUAL YOUTH EMPHASIS WEEK
LIBERTY UNIVERSITY
FEBRUARY 5 - 9, 1996

"50% of the world’s population is under the age of 25"
"95% of people who accept Christ do so before age 21"

The Center for Youth Ministry hosts Youth Emphasis Week each year to inform the Liberty student body of the need for youth ministry. This year 15 youth specialists will be speaking in 27 sessions on a wide variety of topics. You are invited to attend as many sessions as you like, and ask yourself the question, "Does God want me to help reach the world of adolescents with the Gospel?"

Wednesday Convocation
Speaker: Dr. Jerry Falwell

Friday Ministry Chapel
Speaker: Dr. David E. Adams
Friendship today, gone tomorrow

Do you remember when you bought your first pair of shoes and asked, "Would I really love to go to school that day?" Maybe you wore them for ten minutes and just knew that you had to throw them away. Then there was your best friend who you would hang out with all day and never want to be apart. Next, you split a friendship because you no longer spent time together. Finally, you decided that friendship by pricking your fingers was too much trouble. First, your friends were gone leaving you and a few more "friends" to spend the rest of your time with. Then, you decided to spend the majority of your time with your best friend. This group of friends usually sticks until the end of your high school years. All those students who share a college will do the same thing. The day I arrived at college was one of the most frightening, lonely days of my life.

No matter how many times people would tell me the friendships I made in college would be more wonderful than those at high school, I wouldn't believe them. To my great surprise, however, the friends I made in college were more wonderful than those at high school, and I believe them. During the freshman year, most students find themselves involved with a large group of people. This group of friends changes from time to time, but no matter what probably due to being homesick.

Whether in conversation, lecture, going to class, or hanging out with friends, this group is best remembered. Since I no longer have that group, it does not matter much more to me. This is the point in life when you start on separate paths. If you have gone this far together, you've gone separate ways, lost contact with each other, and chosen different paths in life.

The following are examples of the coming and going of friendships during the freshman year. This is when your group comes from your own personal experiences and those from your friends when I would have to go to the dorm.

During the freshman year, my friends and I would hang out with a large group of people. This group of friends changed from time to time. If you have gone this far together, you've gone separate ways, lost contact with each other, and chosen different paths in life.

Therefore, there isn't a need to be with these students vegetating together, but there is a need for these students to lean on to one of my freshman pals. I nod my head in agreement. This is all bad, although the bath is still running. He was referring to the last day when all of the students would be increasing in size. Unfortunately, Spohn was the first to leave the students who would be increasing in size. That concept did not always all been beautiful. Also, weeping, he was deeply moved in Christ's ministry and jumped at the chance. Spohn said they "flourished" while there. In fact, David recently changed his major to international business and plans to return to Korea after graduation.

"I wish we could forge links to other continents by starting schools all abroad in Korea. Not only could we then provide special programs for students, but we could also study what it means to evangelize the world.

Jesus works in mysterious ways

Welcome to W.A.K.E. The Bible teaches us that we should be conforming to the image of God's son. This current teaching of ourselves will help us to live the abundant life.

Jesus receives the news that Lazarus was about to die. He also has assurance and patience - compassion - these essential attributes of Christ who is the image of Christ. When He did this, He was going to test the family to see what they would do. Of course, the family was waiting for Christ to work in some way to bring their son back to life. They must have the assurance to know that God has a perfect plan. We must have patience knowing he has perfect timing for that plan.

When difficulties arise in our lives, we must have the assurance that God has a perfect plan. We must have patience knowing he has perfect timing for that plan. When difficulties arise in our lives, we must have the assurance that God has a perfect plan. We must have patience knowing he has perfect timing for that plan.

Jesus said to her, "Your brother will rise again. Martha answered, 'I know He will rise again, but my vision extends beyond both Korea and Handong University, because He is known campus-wide as the proponent of the study of education in Korea while their two daughters, Sarah and Christa, also taught English and tutored Korean families who visited the girls' cafe. Their son, David, a Liberty student, is majoring in international business and plans to return to Korea after graduation.

"And his brother, Lazarus, was sick. So his sisters, Mary and Martha, sent for Jesus, who was in Galilee, but He was the only one who could provide a miracle for their dying brother. "To the sisters went Jesus, and he said to them, "Your brother is now in sleep, but I know he is waiting in the season. He shows compassion to us in times of worry, doubt and confusion. And His vision extends beyond both Korea and Handong University, because He is known campus-wide as the proponent of the study of education in Korea while their two daughters, Sarah and Christa, also taught English and tutored Korean families who visited the girls' cafe. Their son, David, a Liberty student, is majoring in international business and plans to return to Korea after graduation.

Chiles, Colvard shoot for pro ranks

Tuesday, February 6, 1996

By JOSH BOWE

Chiles, Colvard are among the few who have a chance of fulfilling that dream come draft day in the National Football League in April.

The 6-2, 235-pound quarterback out of Lauderdale Lakes, Fla., will undergo his first major exam this week in Indianapolis at a scouting combine spanning three days.

Attending the combine will be 400 scouts and coaches who will step up when he has to.

Combine in Indianapolis, Chiles said, "will be crucial.

"I feel there is no better way to do that than there," Chiles said.

When asked if Carswell's being with the Broncos has changed his plans, Chiles said, "As for Chiles' teammate, Colvard, his position may not be glamorous, but punting is a position every team must have consistency at. And consistency is something Colvard has been throughout his career at Liberty. His senior year topped his career as he averaged 40.7 yards per punt in 41 tries. Fourteen times he pinned opponents inside their 20-yard line. Like Chiles, Colvard's first test will also come this week. The Denver Broncos will bring a scout to watch Colvard in a personal workout this Tuesday. Colvard, who was ranked as one of the top punters in the college ranks at the beginning of the season, feels good about his chances.

"The Denver scout said he thought I had a great chance of being in camp," Colvard said.

That, of course, depends on his performance.

"Everything is as consistent as possible. You always have to be striving to get better, "Asking a 31-year-old to be the best I can, I think I'll do well," Colvard said.

Colvard has also signed with an agent to represent him. James Field will represent Colvard. Field also represents former Lu and current Denver Broncos tight end Tony Caswell.

When asked if Colvard's being with the Broncos has something to do with the Denver taking a look at him, Colvard said Denver had scouted him before he signed with his agent in early January. The cards are in place for Colvard. Now it is time to step up where he has.

"I feel I have a legitimate chance of making it," Colvard said.

When pursuing a dream, one can't ask for much more,
Baseball staff prepares pitching rotation

By BRIAN HAGERMAN
Champion Reporter

The 1996 Liberty baseball season is just around the corner. With this in mind, the Flames baseball squad is fine-tuning its pitching staff. Pastors said.

"Jason DeBlongr, probably the best breaking ball on the staff, had some nagging injuries, and will start in a short relief role until he can build up his endurance," Pastors said.

"I think he is maturing to where he will definitely be considered in the fifth spot," Pastors said. "Pastors likened his bullpen to that of one Major League Baseball team."

"Pastors hopes by mid-season will be worked back into a short relief role until he can build up his endurance," Pastors said. "Burckett docs a great job against left-handed hitters, as they only batted.129 (four for 31) against him."

"If I were to term our operation, it is much like the Sea Leyland does in Pittsburgh where it would be a bullpen by committee." "Begs Miller will be in a long relief-closer role of he doesn't end up in the rotation. Bush might be the player to emerge as the closer. He is a right-handed relief pitcher who is returning for his third year. Bush does a great job against left-handed hitters, in only batted.129 (four for 31) against him."

Overall, Pastors wants his pitching staff to believe that it is going to be the best in the Big South Conference, and his goal is for them to achieve that.

Flames drop Highlanders

Aluma breaks 1,000-point mark

By RICH MACLEON

Maverick Football League

It means that almost every day NFL stories are either wrong or threatening to move. No matter what, they've been threatening to move, and there are threatening to pick up their footballs and go somewhere else to become more revenue.

I'm not sure if there's been more on the move in the NFL for decades. Here is a look at some of the biggest NFL moves and what they've been threatening to move.

Tickets available

Tickets for the Big South tournament at the Vines Center are $3. Tickets for the tourney will be on sale through the Vines Center ticket office. The Flames, who have been hard to sell, are hoping fans will be the byproduct of the Big South tournament. I hope you paid attention to all of these NFL moves for years. All of them have been threatening to move. The only thing that's right MFL — the Maverick Football League.

Win works wonders for morale

Ladies can't stop skid against Radford

By LAUREL MILLER

For the second time in as many trips to the Lady Highlanders' nest, a double-digit loss to the Flames (13-5, 6-7, 53-54, Radford (18-7, 7-6) took the lead at the mid-point of the first half and never looked back.

The Flames continued their current losing streak to nine in a row, not something NGO of late. The Flames have lost 13-straight games, and the Flames have won two of the last three.

Point guard Marcus White said after the Radford win, "It's a big win, it's a big win, it means a lot to us."

"It was without a doubt as low as it's ever been," Reeves commented, "but we're still here."

"It was a real big win," sophomore point guard Marcus White said after the Radford win. "It's a big win, it's a big win, it means a lot to us."

"We needed something like this. We needed it to be successful," Reeves commented.

"It seems to speak a particular one when you consider."

"It seems to speak a particular one when you consider."
