By JERRY FALWELL

As a teenager, I remember Dr. Charles E. Fuller and the Old Fashioned Revival Hour broadcasts out of Long Beach, CA. Dr. Fuller once said, "My mother would turn the radio on just before leaving the house so she would be aware that I would not get out of bed to serve breakfast."

As a result of hearing that dear old man of God preach the Gospel of Jesus Christ, I became aware of my need of the Lord. At age 18, a sophomore in college, I began looking for a church that preached what I had been hearing Dr. Fuller preach on the radio. On Jan. 20, 1953, Jim Moon and I attended the Bible Park Avenue Baptist Church in our hometown, Lynchburg, Va. As Paul Donnelson began to preach from the Bible that night, my lifelong buddy, Jim Moon, and I responded to the invitation to Christ as Lord and Saviour. Nothing has been the same since.

It would be no surprise to anyone that I have such an affinity for the use of radio and television in propagating the Gospel to the world. After completing my preparation for the Gospel ministry at Baptist Bible College, Springfield, Mo., I returned to Lynchburg, Va., to start the Thomas Road Baptist Church in 1952, Jim Moon and I attended the little Baptist Bible College, Springfield, Mo., I returned to Lynchburg, Va., to start the Thomas Road Baptist Church.

The Thomas Road Baptist Church was born in June, 1956. During that same month, I started a daily half-hour radio broadcast on WBRG Radio in Lynchburg, Va. This was intended to be a local program for the purpose of helping this new local church. However, God had other ideas. That broadcast has been on the air ever since.

This was actually the beginning of the Old-Time Gospel Hour ministry, now heard daily on 400 stations across North America and in over 100 countries throughout the world. Shortly thereafter, I began conducting a 30-minute television program over our local television stations, Channel 13. That also became the embryo of the Old-Time Gospel Hour television network. Today, 327 stations in 54 countries broadcast.

The Old-Time Gospel Hour radio and television ministry is the largest such media ministry in existence today. Literally millions of people hear the gospel everyday over this radio and television outreach.

The radio and television outreach did not grow to its present size overnight. We have been growing gradually during these past 22 1/2 years. Our greatness and most spectacular growth has occurred since 1971. In the mid-1960's I became aware that Thomas Road Baptist Church would never be able to support financially the vast media outreach that was beginning to evolve. I began asking the Lord to show me how He would provide for this outreach.

It was about that time that my associate pastor, Rev. Jim Soward, and I began conducting rallies in cities and counties around the United States. Thomas Road Baptist Church had raised 2,000 in Sunday School annuities for the very first time in 1967. Jim and I would perform our pastoral duties in Lynchburg during the morning and early afternoon and then we would drive away to reach surrounding school auditoriums within a 300-mile radius to conduct rallies for the purpose of raising funds to support the radio and television ministry.

Our first support program was called "doorkeepers." A doorkeeper was a person who would contribute $1 each week to help support the television and radio ministry of the Old-Time Gospel Hour. After that same time, we also started the Faith Partner ministry. A Faith Partner was one who would give $10 or more each month. Jim and I would distribute pledge cards to people in the audiences at the end of the service. Usually, we would enroll 90 to 100 Doorkeepers and Faith Partners in a average night's service. In the near several years, we were able to enroll more than 5,000 people, who, as Doorkeepers and Faith Partners, joined hands with us to help get the Gospel out to the masses.

It soon became evident that the Doorkeepers ministry would not work. With the increasing postage rates, $1 per card would not meet the need. So, we terminated our Doorkeeper program. At that time, Faith Partners became the backbone support of our ministry. They have continued to fill this problem ever since. We are making every effort to enroll 100,000 Faith Partners by the end of this year.

The Sweet 16th Birthday of the Old-Time Gospel Hour Ministry. Today, millions of people hear the Gospel each day through this special Sunday.

As I look back many years ago when Jim Soward and I were driving over 50,000 miles each year in the Old-Time Gospel Hour program, I realize now that God was laying the foundation stone on which the Old-Time Gospel Hour is now built. These Faith Partners have prayed and given financially through these many years. In a very real way, they are responsible for the more than 30,000 people who receive Christ each year through the Old-Time Gospel Hour. Actually, there are thousands more than this who make decisions for Christ. However, more than 30,000 is an average night's service. In the coming years, we expect this number to triple in giving to the Old-Time Gospel Hour. Because of the massive promotion of this Special Commitment Day, we fully expect that the largest, single audience of people ever to witness an old-fashioned local church service will do so on this special Sunday.

Why are we having a Commitment Day?

First of all, we want all the world to know the nature of our commitment here at the Old Time Gospel Hour. We believe that all of you are committed to the faith of our Fathers.

Faith Partners as early in 1979 as possible. For that reason, we must add 100,000 new Faith Partners during these crucial times. Please join us for a successful campaign during these days.

We have called this "Commitment Day" because we believe that the Bible is the inspired and infallible Word of God. We believe in the Virgin Birth of the Lord Jesus Christ.

We believe in His divinity. We believe in His divinity. We believe in His divinity.

As a Christian educator, it is my privilege to be president of the Virginia-based Liberty Baptist College, where the goal of the institution is to prepare men and women for Christian service in the church, ministry, and government.

The world is facing a great crisis. The bearers of the Good News have become absent in our society. The loss of the Christian voice is one of the greatest weaknesses that this nation faces. We need to address this issue and prepare for the future.

It is important to note that education is not just a preparation for the future, but it is a preparation for the present. We need to train our students to be able to participate in the current events and to be able to participate in the decision-making processes of our society.

As a Christian educator, it is my privilege to be president of Liberty Baptist College. I am committed to preparing men and women for Christian service in the church, ministry, and government.

The college is committed to preparing students for the future. The courses offered at the college are designed to prepare students for a variety of careers in the church, ministry, and government.

The college is also committed to providing a good education. The faculty is committed to providing a quality education that is founded on the principles of faith and truth.

I am committed to preparing students for the future. As we plan for the future, we must also plan for the past. We need to remember that our past is not just a record of what has happened, but it is a record of what we can learn from.

How To Build Now And Later 10% Off Cost Of Construction

I'm enrolling 800 students from 40 states at Pensacola Christian College now in its fifth year, academic programs include education, nursing, art and secretarial training. College now in its fifth year.

Then, during the winter, both the ABC and CBS television networks sent crews to Lynchburg to interview the pastor and learn more about the Thomas Road Baptist Church. Subsequent features were televised in August on the ABC World News Tonight, and on Nov. 19, on the Sunday night CBS "60 Minutes" program with Mike Wallace.

SEASONAL CEREALS: For a hearty breakfast, try these tasty cereal grains: Celery, Com Oatmeal, Cocoa Korn, Com Oneto, Corn Bran, Rye Bran, Wheat Bran.

Later, Dr. Falwell debated the same issue with a homeschooling college history professor from Temple University in the Philadelphia area. This was the "I'll Split the Show," televised throughout Philadelphia on Channel 16. In this live telecast, there was a studio audience, most of whom were preparing homeschooling. Some of the parents present were from Pennsylvania or Falwell's classes at the University.

If Dr. Falwell's conviction that revival cannot come to America until there is a genuine outpouring of Holy Spirit conviction. But, he feels, there can be no real Holy Spirit conviction until there is a national awareness of sin. The reason has become so urgent that many people do not know sin when they see it. Too few preachers are calling sin by its right name and preaching clearly the judgment of God against sin. For that reason, God has led Dr. Falwell to continue his efforts to save America during 1979.

The Old-Time Gospel Hour will continue to be the matrix platform for this campaign. Major magazines and newspapers will also be used. The mail will be used. Hopefully, thousands of preachers will intensify their efforts in the same manner as are already doing. For example, AWV churches in Virginia joined hands during November 1978 to defeat by public referendum a pandemic effort by professional gamblers. This was a very inspiring example.

Dr. Falwell feels that the pastors and churches of America have a real opportunity at this time to turn the nation around. It will not be with great ease. Dr. Falwell's life is threatened regularly. He is attacked constantly by newspapers in many parts of the country. Liberal politicians take sides at him. Nevertheless, the job must be done.

During the new year, Dr. Falwell also feels that a new emphasis must be added to the campaign. Public school textbooks have become absolutely obscene and vulgar. Many of them are openly attacking the integrity of the Bible. Humanism is the main thrust of the public school textbook. Darwinian evolution is taught from kindergarten age right through high school. Four-letter words are interspersed in the textbooks of grades in the lower elementary level. Very little is being said about this. Something will be said during 1979. Dr. Falwell is urging his Christian friends across America to join him in prayer. He often expresses his dependence on the prayers of God's people for strength and protection from ungodly men.

For missionaries, evangelists or parents teaching at home or Christian schools around the world, Materials and curricula now used successfully by over 6,000 levels from kindergarten through grade 10.

THE OLD TIME GOSPEL... it's yours to share with others. You can do this right in your own home, among your friends, your colleagues, your neighbors. These are people God has already placed in your life—people I may never reach without your help, because many of them don’t watch Christian TV or listen to gospel radio.

Once a week, I’ll provide the Bible study on tape. You simply push the button on your player and listen along with everybody else. "But, Jerry," you might say, "I’m not a speaker. I can’t preach, lead a class, or pray in public." You don't have to. All you do is invite the people and I’ll do the rest.

America's Weekly Bible Class

WHY THE BIBLE TELLS US ABOUT THESE AND HUNDREDS OF OTHER SUBJECTS WILL BE COVERED IN OUR WEEKLY CLASSES.

What it means to be born again.

Is the Bible true word of God? What is meant by the savior? Can Christians sin in God's eyes? Why does God allow evil to exist? Is all human being born sinful? Can saved persons ever be lost?

THE OLD TIME GOSPEL... it's yours to share today—right where you live. There's high excitement in Lynchburg, because we had this could be one of our nation's most effective outreaches—and perhaps the greatest ministry-opportunity of your lifetime.

Join with me as host of America's Weekly Bible Class. And together let's share God's word with those around us—all across America. We'll be glad to send you more information, with no obligation.

THE MANAGEMENT POSITIONS

All persons interested in more information about these positions should contact Dr. Guillermin, as chairman of the OTGM executive committee. All inquiries involving the educational institutions should be directed also to Dr. Guillermin.

"We have established a highly-organized administration for the overall ministry as we carry out the New Testament Church philosophy," Guillermin said. "We're looking for people qualified as managers and administrators, for outstanding teachers and professors who can fulfill academic excellence.

The philosophy of the Thomas Road Baptist Church and Related Ministries is to reach the world for Jesus Christ. "We must do that with the growing organization but we need talented and dedicated Christians to carry on," Dr. Guillermin said. "The Lord has blessed this ministry in every way—the personnel already on the staff. It is a blessing to see the manner in which our workers have carried out their tasks."

Dr. Guillermin announced the positions available for TRBC as the following:

NGAN HOANG: THE GIRL WHO LOST HER COUNTRY BUT FOUND CHRIST

By BRENDA EASTERLING
Journal-Champion Staff Writer

NGAN HOANG. Twenty-five. A native of Vietnam, she was a refugee during the war in Vietnam. She was one of the fortunate few who escaped the war and came to the United States. In January 1975, she married and moved to Lynchburg.

Ngan Hoang remembers April 29, 1975. The communist army and American soldiers were moving in to take over. It was then the Americans were scheduled to leave Vietnam with only part of her family, but she missed the bus and they were delayed for April 29, the last day to leave.

"We wanted to be bound to the airport, but the bus never came because the commissaries were burning the airport. An American supervisor told my father to leave us to the Saigon River. Everybody was scared and there were robbers. We wanted to pay a tax to take us or, we were going to die there. We packed our bicycles outside our father's office, and they were still our church's. Finally, the communists let their driver take us to the overcrowd," said Ngan whose family escaped into international waters with thousands of other Vietnamese aboard an American boat.

It was a long night in freedom. All guns had to be thrown overseas while a small armed boat followed beside the refugee boat. Ngan prayed without ceasing. She was born again and washed as a clean cloth and left the right to sky. She gave her family, their safety, their health, their lives.

The next day all was hungry. In the rush the day before, Ngan's family had lost the food her mother had prepared. A refugee lady on the ship gave them fish to eat for breakfast. She died for her two-year-old brother. Several rains fell, and there was no covering for their heads. The refugees were wet and cold as well as hungry.

The American Navy's Seventh Fleet came to help us with food and shelter for thousands of refugees and to take them to the Philippines. After six days the over-crowded vessel landed in the Philippines where Ngan's family stayed overnight and flew to Guam Island the next day.

Although Ngan was in Guam only three days, she decided on her heart that God had answered her prayer. Her family had not been saved, but she was pleased to prove to her family that God was indeed the true God. "I dedicated myself completely to God in Guam and asked Him to always keep my family together. We are together here, but I believe God will continue to answer my prayer and see my family comes so we will be together in heaven," Ngan said.

After Ngan's family left Guam, they were sponsored to Fort Custer Refugee Camp in Arkansas. Ten families lived together in military barracks where there was only one room per family. Ngan's family began to wonder if they had made a mistake. If the new government in Vietnam might be better, now, however, Ngan looks back to the refuge camp as a blessing. Missionaries moved into the camp and worked with Vietnamese evangelists to gather the refugees. Two of Ngan's sisters and a brother were saved and, after four months in the camp, Ngan left to attend school at Eastern College in Pennsylvania because someone had sponsored her. The next month her family was sponsored and moved there to join her.

At LBC, she is majoring in accounting and church ministries because she believes the Lord will use this knowledge in the future in some full-time Christian career or Christian business.

Liberty Mountain Miracle Continues

Liberty Mountain in Lynchburg, Virginia is a virtual beehive of activity. Hundreds of students are learning God's Word and how to carry it out to the preachers and missionaries. Learning the Bible system will be a Christian university. We are asking the Lord to help us develop such a diversified program which would ultimately mean every young person who loves Christ could have high school and go on directly to Liberty. This is the miracle of Liberty Mountain. It is a continuing miracle. In January 1979, two years after the first plan of ground was moved at the $5,000 are called Liberty Mountain, nothing has been left untouched. While our College enrollment has been booming, so has the construction and the developments of the Mountain project. At least seven major buildings are being completed or under construction.

Easter dormitories have been completed. Two additional two-story dormitories are actually under construction. As God provides the funds, we desperately need to finish these two buildings in the near future. We are asking our friends to pray about this.

Two classrooms buildings have been completed. One is a science building. The other is a general education building. Each building has 28,900 square feet of floor space. A third building of the exact size is under construction. This is a frae mosque. We also desperately need to complete this building. The supply of funds determines the pace at which this building can be erected. A gymnasium will be occupied on Feb 1. It will provide space for athletic activities and will serve as an academic building for the physical education needs of Liberty Baptist College.

A fourth classroom building is also needed. Although construction has not begun on this structure, much prayer is being offered in regards to the provision of funds for the beginning of this project. Likewise, two-two story dormitories are actually under construction. As God provides the funds, we desperately need to finish these two buildings in the near future. We are asking our friends to pray about this.

The present enrollment of the four Liberty Baptist Schools is 3,540. Dr. A. Pierre Guillermin, president, welcomes a large influx of new students in the fall of 1979. A total 2,229 of these students are freshmen. During the last several years Genesis Tours and their Travel Sales Representatives have used this innovative concept to enlist thousands of people to travel worldwide. As our Travel Sales Consultant the direct marketing of passengers will be a bright new world offering you the opportunity to earn a substantial yearly commission and the opportunity for FREE travel to Hawaii, Holy Land, Orient, Caribbean, Europe Central and South America. Ministries in your area will welcome an opportunity to lead a group of students to the Holy Land. When you show them how easy it is to earn a FREE tour enlisting only five passengers they will agree to become a Tour Host. Teachers, especially from local high schools, will be thrilled to take a group of students to Europe during Spring break or Summer vacation. As a Tour Host they earn a FREE tour enlisting only ten students.
