### Increase in Assistant Directors of Honors

The Honors Program will have more assistant directors to oversee Honors theses beginning Spring 2017. The purpose for the increase is to handle the increase in number of theses being written by Honors students and to offer directors with unique specializations that can effectively direct theses in some of the larger disciplines of the school. For more information about each, see the Honors Contact page: [http://www.liberty.edu/index.cfm?PID=343](http://www.liberty.edu/index.cfm?PID=343)
